

## NATIONAL NATIVE AMERICAN HERITAGE

MONTH

This November, EEI celebrates the rich history, diverse cultures, and invaluable contributions of Native American and Indigenous peoples.

Our employees who identify with this heritage month share how they stay connected to their culture.

EEI Celebrates
National Native American
Heritage Month

tribal council as the chairperson of the citizenship committee.

This year, the council began planning and assisting with the tribe's contributions to the Delaware 250 Celebration, which will take place in the summer of 2026. Through interviews with tribal elders and other initiatives, the past, present, and future of our people will be permanently represented in Delaware's history.

We Are Still Here.
